TERM & CONDITIONS

1. The surface of cemented interlocking tiles and components can be smooth, profiled, decorated or finished, glossy, matt or semi-matt (anti-skid) as indicated. The tiles shall be flat true to shape, sound and free from flaws and other manufacturing defects. The top surface of the interlocking tiles shall be glazed. The underside of the tiles shall be free from glaze in order that the tiles may adhere properly to the base. The glaze shall be uniform in quality and shall be free from welts, chips, craze, crawling or other imperfections, detracting from appearance when viewed at a distance of one meter. The texture and colour of tiles shall be as indicated. Tiles shall be of sizes as indicated or as per requirement of the tendering authority. The thickness shall be as specified by the manufacturer but in no case it shall not be less than 6.5mm.
2. Laying interlocking tiles shall be of cement and sand mortar 1:4. Bedding over which the tile shall be laid shall not be less than 10mm at any place.
3. The road where base concrete or RCC slab will be laid shall be cleaned and wetted. The bedding shall then be laid evenly over the surface, tamped and corrected to desired levels and allowed to harden enough to offer a rigid cushion to tiles. Interlocking tiles shall then be washed clean and fixed in the ground one after the other, each tile being gently tapped in its position till it is properly bedded and in level and line with adjoining tiles. The joints shall be as thin as possible but not exceeding 1.5mm wide or as per

ment. The interlocking tiles shall be set, jointed with cement slurry and pointed in neat coloured
ant to match the colour of tiles. The surface shall be cured for seven days and then washed clean.

The tenders are subject to the approval by the board of officers detailed by the Chairman, APS
Dagshai, who do not bind themselves to accept the lowest tender or to give reason for rejecting any
tenders.

5. Prior to acceptance of the tender the undersigned reserves the right to call for sample and the contractor shall be liable to supply the same. No material shall be supplied by the APS Dagshai.
6. Conditional tender will not be accepted.
7. The contractor will have to arrange water or electricity etc from his own sources. If contractor wants to use water or electricity from the school, the contractor will have to pay charges of the same at the rate of 2% of contract. The same will be deducted from payments of the bills.
8. The security amount will be 5% of contract amount, which is required to be deposited by the successful contractor and security amount will be refunded without interest after one year of completion of the contract/final payment. If the contractor fails to execute any work entrusted to him within prescribed time, the Principal APS, Dagshai will be at liberty to get the work executed through any other agency at risk and cost of the contractor & if the security falls short, the contractor will pay the difference. The payment will be made as per school rule.
9. TDS as applicable under rules will be deducted from the bills of the contractor.
10. This tender notice will form part of the contractor agreement.
11. On acceptance of the tender it will become a contract and shall be bound by terms and conditions of the tender.
12. The board detail by the school authorities will inspect the material of interlocking tiles as per approved by the board of Officers.
13. Payment will be made within 20 days after getting the satisfactory certificate from the board in accordance with the specification/sample of the work executed at sites by the contractor. No interest will be paid on delay payment.
14. Disputes of any will be subjected to Distt Court Solan Only.
15. The tendering authority reserves the right to modify, reject or nullify any of the unsolicited offer, incomplete or partially completed and conditional tenders without assigning any reasons whatsoever.
16. In case, you are interested, you may send your tender in sealed envelope to reach the school latest by 02 Feb 2024.
